## Leadership Giving

In the 2008 campaign, the first Leadership Giving Program was created for individuals who pledge \$500.00 or more to the annual campaign. Since its inception more than \$58,000.00 has been pledged to the 2008 and 2009 Campaigns. Erath County United Way is grateful to these community leaders who donated \$500.00 or more, directly or through a payroll deduction pledge. Our goal for the 2010 Leadership Giving is \$40,000.00 of the campaign Goal of \$300,000.00. For more information on how to become a Leadership Giver, please call the ECUW office or contact a local board member.

## Corporate Partners

Our community is very fortunate to have the support of our companies who provide their employees the opportunity to give. Many companies also give a corporate match/or company gift and provide incentives such as extra time off, prizes or other incentives for those who choose to donate. Volunteers in each of these organizations give of their time to coordinate employee campaigns. No campaign is too large or too small to help us reach our 2010 goal of \$300,000. It will take every dedicated volunteer and generous donor for us to succeed this year!

***United we can make a  
difference in our community!***
