

Erath County United Way would like to thank Kevin Kolb and all his assistant coaches for a great football camp and fundraiser. The event hosted 140 young boys from the age of 10 - to 13 for a fun packed day football and fellowship. With the help from our community sponsors and donations, the camp raised over \$6,000.00 to go towards the 2010 Campaign Goal of \$300,000.
